Chapter-4

Mukesh Starts a Zoo

Question Answers

Q1.) What did Mukesh announce one morning?

Ans. Mukesh announced that he wanted to start a zoo.

Q2.) Who was the star attraction at school? Why was it so?

Ans. The parrot was the star attraction at the zoo because it could recite and chant three different mantras.

Q3.) Why did granny not notice the disappearance of her parrot?

Ans. Granny had gone to the temple. So she did not notice the disappearance.

Q4.) Who started the disturbance at the zoo? How did it start?

Ans. The black dog had managed to dig his way out of his enclosure. It wanted to dig his way into the rabbit's compartment. Then, the donkey managed to snap the rope and Koki ran to rescue the rabbit. The duck flew over the packing case scattering lizards in different direction. The confusion was such that nobody noticed the door of the cage and the parrot flew away.

Q5.) How did the children solve the problem of granny's parrot?

Ans. Children decided to buy a new parrot for granny.

Think and answer: -
